Reasons to choose

- Ultra-hygienic touch-sensitive control panel
- High capacity dispense area for bottles and jugs
- Sealed, hygienic, direct-chill cooling system
- Floorstanding option comes complete with an internal alarmed waste kit
- Unique countertop sparkling model

Borg & Overström Totality®

Driven by a relentless pursuit of excellence, Borg & Overström Totality® is a research and development methodology for the advancement of hygiene, innovation and technology in refreshment systems.

Laboratory certified 99.999% bacteria-reduced
Every Borg & Overström appliance undergoes an anti-microbial, antipathogen, sanitising procedure. The reassurance of hygienically safe appliances is provided by the unique bacteria-reducing process, Sterizen®.

Biofilm, limescale and impact resistant epoxy resin panel finish
Providing an increased level of hygiene and longevity, Fynil® is a scratch and impact resistant epoxy-resin surface finish - effectively resisting biofilm development and limescale cohesion.

Intense, long-lasting sparkling water.
The superior Deep Sparkle®, unique to Borg & Overström, is achieved through high-pressure saturation. Conveniently maintained with safe, easy-to-fit CO2 canisters – available in two sizes.

Distinctive
by design.
